FINANCIAL TRADING DIMENSIONS

INTRODUCTION

Under the rules of the BVI Financial Services Commission, this policy provides information on Cookies for FTD Limited (together referred as “FTD”, “we”, “our” or “us”) (the “Cookie Policy”).

DEFINITION OF COOKIES

Cookies are small pieces of information stored by the website you visit on your device in order to allow you to perform certain functions on the website and to adjust the content of the website to your preference. They can store information on pages on which you have given key information (e.g. when you provide a password), but only until you are requested and you agree to this information being stored. Cookies may be used to provide a more customized web browsing experience for website users on certain pages of the website; they are not used to identify the personal identity of anyone who only visits the website.

COOKIE TYPES WE ARE USING

Session Cookies

These cookies are temporary cookies, because session cookies are deleted immediately after you close your browser, they are deleted. Session cookies are used to maintain the information that you give us while you are browsing through every page of our web site.

You may choose to decline session cookies through the privacy settings of your browser, but please remember that declining session cookies can effect your browsing experience negatively, especially if they are declined across all websites.

Analytical Cookies

Analytical cookies may include both temporary cookies and permanent cookies that we use to track how and for how long you use our website. Analytical cookies do not reveal any person-specific identity information, but they allow us to optimize how our content is delivered to you. Check the privacy settings of your browser to see if you can opt out of analytical cookies.

Functional Cookies

In order to deliver you a smooth experience through our website, functional cookies record your choices and save them for the next time you visit our website. For example functional cookies remember your language choice and every time you visit us. Check the urgent privacy settings of your browser on how to opt out of functional cookies.

Third Party Cookies

These are the cookies used by third parties, mostly by social media websites like Google+, Twitter or Facebook. Third party cookies enable us to provide you easy ways to share our content across your social media. You can disable the use of these cookies in the privacy settings of your browser, but please remember that this will deactivate all of the features mentioned above as well.

FINANCIAL TRADING DIMENSIONS

WHY DO WE USE COOKIES ?

Our purpose of using cookies is to analyse how visitors use our website, as well as track and improve our website's performance and function. By means of this we can quickly identify and fix any issues that may arise and provide a high quality customer experience. We can also improve our future advertising campaigns by tracking if you are directed to our website from another website.

Cookies enable us to ensure the optimum functionality of our website and provide our content with respect to your personal preferences.

We respect your privacy and are committed to providing you with the information and tools you need to manage your cookies.

MANAGING COOKIES

You can use your web browser's settings to delete cookies at any time you want. You can also disable cookies from your web browser but as already mentioned above disabling cookies may impact the performance of our web sites' and other web sites' functioning.

As a regulated broker, we assure you that any personal information we collect, through any means, will not be shared with third-parties.

Please read our Privacy Policy for more detailed information on how we use your data. If you have further questions please do not hesitate to Contact us.
